

PRESS RELEASE

Effective Monday, June 1, 2020 LaSalle County Government complex buildings will be open for members of the public to conduct business. Access to county buildings will be limited only to the individual person conducting business; family members and friends will not be granted access. We will only be allowing one individual in the office at a time. Please conduct business via online or phone, if possible. Website: www.lasallecountytreasurer.com Phone: 815-434-8219

Any individual that presents to any LaSalle County Government Complex must have a facial covering before entrance, will have their temperature taken and asked 4 health screening questions PRIOR to entrance into any department. Any individual with a temperature >100.4 will be denied any further access.

Any individual whose temperature is <100.4 will be issued a facial covering if they do not have one of their own and will be required to wear it during their business at any LaSalle County Government Complex. Please follow and abide by any signs posted and maintain social distancing. Any citizen who refuses to have their temperature taken will be refused further entrance into any LaSalle County Government Complex.

Thank you for your cooperation.

Sincerely yours,

James L. Spelich
LaSalle County Treasurer
