The LaSalle County Government Complex buildings are open for members of the public to conduct business. When possible, we ask that you conduct business via our county website - www.lasallecounty.org following the prompts to the coroner's tab. You can also contact our office directly by phone at 815-434-8268; Monday through Friday from 8:00-4:00 p.m. Access to our County Coroner Office will be limited only to the individual person conducting business, and a prior appointment is required because our office has limited space available to adhere to the COVID-19 social distancing protocol. All members of the public must adhere to the County issued health protocols prior to entering the Governmental complex.
